Phillip Lovejoy is definitely the centerpiece of 4-Barrel, the band. All the musicians are competent--good lead vocals and a solid rhythm section. However, Phillip's blazing guitar work is what gives this foursome its hardcore rockin' N rollin' juice. Mr. Lovejoy is "pro" quality all-the-way!! He is Sacto Valley's equivalent of L.A.'s Eddy Van Halen. Plus, Phillip is a genuinely nice guy instead of a self-absorbed drunkard!!

Four Barrel does not lip sync like so many bands that play around Sacramento. No, I pod, on stage folks.

well. The lead guitar can play like nobody I've ever seen before and makes for a wonderful showman too. The bass is solid and fun to watch. The drummer makes great photo ops with facial involvement in his beat with solid play. Just a great band! You've got to see them sometime. Don't take my word for it...explore it for yourself.

There's no band that compares to the energy and the fun that this band puts out. It is a good time had by all whenever I see these guys perform. Besides, It's always fun to get up and sing with them since I am a "Simple Man ".
Thank-you Four Barrel

Four Barrel gives back to the Community!

They did a fund-raiser for Lee Middle School Band. We raised big that night.

Ericka and Hector you rock.... I enjoy having you both as good loyal
friends. Ericka and I go way back. We've been childhood friend for over
30 years. You once were my best friend but still remain a good loyal
friend. I love you with all my heart girl. Continue doing what you do
best... Girl it shows.

Hector.... my dear old pal ex co-worker. Through thick and thin I'll
always remember the times we've shared as friends. Your a good guy
and to that I'll always remember our day outing. That was awesome.

I stumbled onto Four Barrel one night at Kenny's and have been a big fan ever since. They even announce my entrance when I walk in the door. Philip is an amazing talent on the guitar. Ericka has a very soulful voice and kills on black velvet. Hector always smiling and having fun on the drums. They are the best band to come out of Woodland ever. Hope they come back to Kenny's someday.
