as the previous owner of the buckhorn in dixon, I have had four barrel numerous times entertain our guests, they are by far the best local band around, their energy and talent are like no other. Ericas smile and amazing voice are beyond words she just has a way of wowing a crowd. The rest of the band are equally talented, Phillip an Timmy on guitar and Hector on the drums they truely deserve an A-List rating, we are also graced with the incredible bongo playing of Bill on occasion. If you are a bar owner and want a band that will rock the house with style and class do yourself a favor and consider four barrel you will be happy that you did.VOTE FOR FOUR BARREL THEY ROCK!!!!!!

They preformed at a family wedding reception of ours and were amazing, fantastic, great, marvelous, etc. They had everyone out on the floor dancing and Phillip Lovejoy was awesome as the MC for the event. This reception was lots of fun and enjoyed by all.

This band rocks. Ericka Davis, the lead singer has such an amazing voice. Stumbled upon their band when she was UPN 31's Small town Idol.
